- 5/20-21/17 **Wings Over Wayne/Seymour Johnson AFB Open House**; Goldsboro, NC; Sat/Sun; a Big Deal; wingsoverwayne@gmail.com 57 air mi
- 5/20/17 **EAA 1114 Spring Picnic at Cox Field**; don't miss it! Volunteer! Eat at noon; come b4 & stay after 2 visit. And help prep/clean!
- 5/21/17 Sunday(5J5) **Holly Hill airport hosts SC Breakfast Club**; great country airport; Larry Gardner of VAA3 + other assorted characters. Brkfst Clb tradition: a home cooked southern breakfast, great fellowship + flying since 1938, pilots & aviation enthusiasts in & near South Carolina meet monthly 4 breakfast. That's it. No dues, no meeting requirements. Breakfast around \$6 - \$10 per plate, ready about 9am & there is always plenty. Fly in or drive, belly up and talk aircraft, aviation, or anything else to your hearts content. Pilot or non-pilot, everyone is welcome. The SCBC host is certified nuts, but waaay fun. 190 mi.
- 5/19-21/17 (42VA) **Warbirds Over the Beach**, VA Beach, VA Av Museum, rwys 11/29 4845' grass, (what freq?) closest AWOS 119.925, no night ops; Prior Permission to fly in and land **REQUIRED**: arrival/departure times restricted due to numerous museum aircraft flying; Gerald Yagan flies/displays many WWII planes from his museum; reasonable daily admission and camping charge - but call/email ahead; drive or fly, but call or ck web for reservations/info; Sat. night steak dinner (yep, call/pre-pay; but only (appx)\$12); attended by hundreds of WWII re-enactors w/authentic gear/equipment/vehicles/weapons/tents/etc; Will actually FLY WWII planes like P51, FW190, ME109, PBY, ME262!, C46, Lancaster; expect anything. <http://www.vbairshow.com/> 148 nm
- 5/27/17 (SC37) **Cross Cotillion (potluck) Fly-In Fude**, Cross SC, grass rwy 9/27 2700' NW of Monck's Corner SC, Jim Wilson (of VAA3) puts on his best at his awesome ranch; acres of grass, for anyone who loves planes/food/fellowship, 164 mi SSW Cox
- 6/10/17 Mike Steele's Potluck Fly-In south of Walnut Cove, NC. grass, potluck. I can't find this airport on AirNav or charts but have flown into it several times. (Seems it's a N/S rwy about 1 or 2 miles south of N63 Meadow Brook Field Airport, Walnut Cove.) Long enough for Mike to successfully fly his WWII T-6 for many years. Great guy who has great friends and family. And Food! Check out RV-12 arrival video: https://www.youtube.com/watch?v=FmnSD1Vv_3U About 71 mi and 298 deg fm Cox.
- 6/10/17 (SC00) **Fabric&Tailwheel Fly-In Triple Tree SC**, Lunch, 7000' grass rwy!! 192 mi.
