Volume 19.6    Newsletter of EAA Chapter 1114    Apex, NC    December, 2013

## Join Us at the EAA 1114 Annual Holiday Gathering

From Dilip Jumani

The time for our annual Holiday Gathering event is already here and it's the group of amazing people like you, who make it a special and a worthwhile experience. This year our annual Holiday Gathering will be held on Saturday, January 18<sup>th</sup> 2014 at the C.C. Jones Building in downtown Apex. The covered dish luncheon will start at noon, so please come early at 11AM to meet other members and their families. The chapter will be providing meat / main course, soft drinks, paper goods and utensils. We would appreciate if you could bring your favorite item as a side dish.

This potluck luncheon is about everyone joining together and offering up their favorite dishes for others enjoyment. It highlights the giving nature of people and the sharing aspect of a celebration. Sitting down to a meal created for you by all your guests is an expression of love like no other. We sincerely appreciate all the contributors for the time they spend in the kitchen just for us.

We're always very impressed at how generous our chapter members are with their time and

how many hands make the work light. Please join us to make the event successful.

Wishing you and your families a very Happy Holidays and a Prosperous New Year.

Dilip Jumani on behalf of the EAA1114 Officers  
(203) 550 4242

**May 31 – June 1;** Virginia Regional Festival of Flight, Suffolk Executive Airport, Richmond, VA

## Silent Auction

From Alison Martin

By popular request, the silent auction will once again be held at our EAA 1114 Annual Holiday Gathering in January. This event has been a big success as a chapter fundraiser, plus we've had a lot of fun.

It's planning time once again, and if you have any items you would like to donate, please let me know. Suggestions include: Flights, Aviation Tools & Parts, Books & Videos, Homemade and Handmade, Services, Toys, and Apparel.

Your fellow chapter members have gotten a head start on donations - items you will be able to bid on in January include aviation headsets, a framed print depicting the early

days of airmail delivery, and home baked cookies and brownies!

To donate, please send me an email at [alison\\_martin@bellsouth.net](mailto:alison_martin@bellsouth.net). Describe the item and approximate value, if known.

Please consider asking local businesses to consider donating items or discount coupons too. All donors will be recognized during the members meeting.

In the past, funds from the silent auction have helped support things like publication of the member's directory, facility costs, and insurance. Send your officers suggestions of ways the chapter can give back to the membership!

Happy holidays to all, and see you in January

-Alison

***EAA Chapter 1114's  
Annual Holiday Party!***

## CLASSIFIED

### Complete RV-8 Tail Kit

Prepunched kit purchased new from Van's in 2007. Horizontal stabilizer, vertical stabilizer, and right elevator are already assembled. Rudder and left elevator are still to be assembled. Also includes RV-8 preview plans, large format plans, assembly instruction manual, and electric elevator trim option. Current new price from Van's is \$2,025 plus shipping.

This came with a quick-build fuselage that I purchased, but is surplus to my needs since I have already assembled my own tail kit. Everything is available for inspection prior to purchase at my shop in Raleigh. In addition, I will help the purchaser assemble the rest of the tail kit in my shop.

I would like to get **\$1,000** for this, but take a look and make me an offer if you are interested.

Contact me at [newsletter@eaa1114.org](mailto:newsletter@eaa1114.org).

Copyright 2012 by EAA Chapter 1114. **Aerial Pursuits** is the official newsletter of EAA Chapter 1114, which meets on the third Saturday of each month at Cox Field (NC81), Apex, NC. **Aerial Pursuits** is sent to all active chapter members via electronic transmission. Issues are posted in the Newsletter page of the chapter's web site, [www.eaa1114.org](http://www.eaa1114.org). Membership rate is \$30 annually, paid to the Treasurer according to instructions provided in the Join/Renew page at [www.eaa1114.org](http://www.eaa1114.org). Newsletter contributions are welcome and should be sent to the Newsletter Editor, [newsletter@EAA1114.org](mailto:newsletter@EAA1114.org). Contributors agree to their work being sent to EAA headquarters for publishing.
